

Bridging Loan Interest Structures (UK) - Checklist

Rolled-Up Interest

No monthly payments. Interest accrues and is paid at exit. Common for refurb projects.

Retained Interest

Interest for the agreed term is deducted upfront from the loan advance.

Serviced Interest

Interest paid monthly with capital repaid at exit. Lower overall cost.

Part-Rolled / Hybrid Interest

Combination of serviced and rolled-up interest.

Exit Fees

Often 1% of loan amount, payable on exit.

Default Interest

Higher interest charged if the loan term is exceeded.
